About Us

JECEPT is your premium choice for your daily skin routine. Reliability and quality based on transparency are our most important values. We strive for innovation in developing Beauty and Lifestyle products with one mission: Making your life easier, simpler, and healthier every day. We will always be ready to improve and invent multi-functional products that suit all types of skin. We understand skin like no one else. That's why we customize exceptional products that cleanse, nourish, and protect your skin, while giving it exactly what it needs – gentle yet effective care that keeps your skin smooth, supple, and radiantly beautiful.

Our Commitment to Our People

Produce a space for professional development, innovation, wellness, and natural beauty. We're always looking for new trending, Niche products to help you care for your skin. Whether you're male or female, young or old, fair or dark, oily or dry, sensitive or normal, or anything in between. We care for all your skin. For life.

Our Vision

We believe that we are responsible for producing environmentally friendly and innovative Jordanian dead-sea products so we are consistently focusing on innovating niche and multi-functional products that will allow us to reach sustainable development goals. We focus on all healthy specifications that mean to our customers. We believe in deep collaboration with nature and innovative remedies, which allow us to produce services that are aligned with technology

Our Mission

At Kamalika, our vision is to create healthier and safe beauty lifestyle products with one mission: To make your life easier, and simpler to be a part of your daily skin routine. Our business idea supports this vision by offering a wide range of high-end quality, and multi-functional beauty products at affordable prices so everyone will be able to afford them."

Our Goal

Is to accelerate the process of producing more beneficial products for a more sustainable and innovative future to be leaders in Jordan and Globally.

Enriched with Dead Sea minerals and glycerin, it provides deep hydration while enveloping your senses with the scent of lavender essential oil so it leaves skin feeling soft, clean, and supple.

How to use

Dispense a single pump into damp hands, lather, then rinse thoroughly.

JECEPT Olive Oil Liquid Soap

(For Face, Hand & Body)

- Its formula is based on 100% pure virgin olive oil, so it moisturizes your skin in a very high concentration.
- It contains anti-inflammatory elements so it relieves eczema and psoriasis.
- It is an excellent source of Omega 3 and Vitamins A and E, making it a suitable choice for all skin types.
- It will leave your skin feeling silky and emollient like nothing else.

Caution

- For external use only.
- Keep out of reach of children.
- Avoid contact with eyes. If in the eyes, rinse with water thoroughly.
- Store in a cool place (below 30oC). Avoid direct sunlight.

INGREDIENTS

Aqua (Water), Olea Europaea (Olive) Fruit Oil, Potassium Hydroxide, Potassium Carbonate, Propylene Glycol, Ricinus communis (Castor) Seed Oil, Cocos Nucifera (Coconut) Oil, Glycerin, Citrus Aurantium Dulcis (Sweet Orange) Peel Oil, Lavandula angustifolia (Lavender) Flower Oil.

JECEPT Beauty Bar Soap

JECEPT products contain Dead Sea minerals and salts such as potassium, magnesium, and many other minerals that help to regenerate and rebuild the skin naturally. They also contribute to resisting wrinkles and gently ridding the skin of excess oils, moisturizing the skin, and ridding it of roughness.

- We use pure vegetable oils in the manufacture of all our products and glycerin is added as a humectant in all types of soap
- Free from harmful chemical compounds
- Enhances the skin's ability to carry out its vital functions naturally

How to use

Rinse your face and body with warm water, rub with soap for a while and rinse again.

Used daily to clean hands, face, and body in general

Avoid contact with eyes

For external use only

JECEPT Beauty Bar Soap

Mud Soap

(Calming & Purifying)

A blend of pure vegetable oils with a unique Dead Sea mud rich with minerals and essential elements for skincare.

- Used to clean the skin from excess sebum, and suspended contaminants to give the skin a feeling of softness and suppleness and to appear naturally active and radiant.
- Used daily to clean hands, face, and body in general

Precaution

- Avoid contact with eyes
- For external use only

Mineral Soap

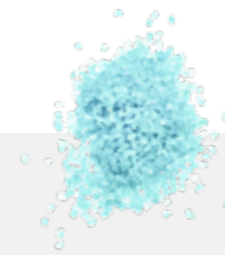

(Moisturizing)

A blend of pure vegetable oils with its unique Dead Sea salts rich with minerals and essential elements for skincare.

- Used to clean the skin from excess sebum, and suspended contaminants
- It gives the skin a feeling of softness and suppleness and appears naturally active and radiant
- Leaves skin feeling soft and smooth with a naturally revitalized and glowing appearance.
- It works to renew cells naturally
- **Use twice a week on the face, hands, and the entire body in general**

Precaution

- Helps remove impurities and dead skin cells balance moisture
- Tightens the skin leaving skin active and shiny.
- Used daily to clean hands, face, and body in general

Precaution

- Avoid contact with eyes
- For external use only

JECEPT Moroccan Black Soap

JECEPT Moroccan Black Soap

(baladi softening detoxifier)

It is distinguished by its unique formula because it contains 100% natural olive oil, black olives, and glycerin. Moroccan black soap is an ancient skin rejuvenation treatment, used to deeply cleanse pores and soften the body, allowing dead skin and impurities to be removed easily.

- An ideal remedy against the harmful effects of pollution on the skin. This unique experience leaves skin radiant, exceptionally smooth, and ready to better absorb the moisturizer.
- Use a loofah exfoliating mitt twice a month to get healthier and fresher skin.

Benefits:

- Calms skin problems
- Soften and revitalize the skin
- Make-up removal
- stop itching
- Preventing ingrown hairs

How to use Moroccan Soap for the Body scrub

It works best in a steam room.

Warm body for a few minutes in a hot bath or shower.

Turn off the water and continue to steam and massage JECEPT Black Soap onto wet skin and face, avoiding eyes. Wait (5-10) minutes, then rinse well.

Now, deeply scrub the whole body with the exfoliating / loofah glove to remove dead skin and impurities.

- Do not rub the same area for a long time.
- Don't rub your face. Instead, rub it deeply with your fingertips.

Face wash only

- Lay your face over a bowl of steaming water for a few minutes (ideally a towel rolled over the head to keep the steam inside - like a tent). Keep your eyes closed at all times.
- Now, massage your face with the beautiful Moroccan black soap, avoiding the eyes. Wait a few minutes in the steam, rinse off the soap thoroughly, then use fingertips to deeply scrub the face in an upward-to-down motion, allowing dead skin and impurities to show and infiltrate.
- Rinse now and moisturize immediately with facial moisturizer.

Warnings:

- For external use only.
- Avoid contact with eyes, in case of contact with eyes, rinse them well with water.
- Keep out of reach of children.
- This soap can not be used in case of any burns, wounds, or allergies.

Shower Gel

JECEPT Shower Gel

Enriched with natural ingredients, minerals, and Dead Sea salts plus rich lather and many distinct aromas for longer-lasting freshness.

- JECEPT Shower Gel gives you freshness, hydration, and ultra-softening of the skin.
- You will adore its rich lather and its natural aroma, to make bath time a perfectly refreshing experience, leaving you feeling healthy, revitalized, and soft, as well as relaxing and super clean.

How to use

- Apply to wet skin, and work into a rich lather.
- Use loofah or washcloth for maximum lather.
- Massage in and rinse well.

Invigorating Lemongrass

Enriched with natural ingredients, minerals, and Dead Sea salts plus rich lather and many distinct aromas for longer-lasting freshness.

- A highly concentrated shower gel, the main component of which is extracted from natural lemongrass oil. Rich minerals and Dead Sea salts are included in its composition.
- Gentle on the skin
- Deeply cleanses and rejuvenates skin cells
- Makes your skin color purified and fresh, and is characterized by its rich foam that gives you a feeling of vitality, activity, and permanent freshness.

Precaution

Hand Sanitizer Gel

Unscented and Scented Gels (Fresh Aquatic, Guava, Tutti frutti)

Light and fresh hand sanitizer are formulated to control the spread of bacterial infections and to leave skin feeling hydrated without a tacky residue. The moisturizing system in the formula leaves hands feeling soft and silky-smooth.

Uses

- Kills common germs that may cause illness.
- Use any time, any place without water.
- Feel refreshed without stickiness or residue.

Directions

Put a thumbnail size amount in your palm and rub your hands together briskly until dry.

Cautions

- Highly flammable. Keep away from fire or flame.
- For external use only.
- Avoid eyes. In case of eye contact, flush with water.
- Discontinue use if skin irritation occurs.
- If the condition persists consult a doctor.
- Keep out of reach of children.
- Store below 25oC.

Ingredients

Ethanol 70%, Aqua (Water), Propylene Glycol, PEG- 75 Lanolin, Perfume, Tocopheryl Acetate (Vitamin E), Carbomer, Triethanolamine.

Hand Sanitizer Spray

It kills 99.9 percent of germs. Alcohol-based hand sanitizer helps eliminate over 99.9 percent of many common harmful germs and bacteria and has Aloe and Glycerin for clean soft hands.

- Sanitizing spray uses a formula approved by the JFDA with 76% Ethyl Alcohol, the active ingredient that kills germs on contact.
- JECEPT hand sanitizer formula can be used on hands when soap and water are not available.

JECEPT hand sanitizer scented (Exotic Breeze, Apple, BlackBerry and Rhubarb, BlackBerry and Fig, Fresh Floral, Professional Smooth Fruits)

- We believe you can Stay Safe and Smell Good at the same time.
 - General Disinfectant and Sanitizer
 - For Skin and Hard Surfaces

How to use

Wet hands thoroughly with JECEPT Hand Sanitizer Spray and allow to dry without wiping. Rub lightly until dry. Do not rinse.

Cautions

- Highly flammable. Keep away from fire or flame.
- For external use only.
- Avoid eyes. In case of eye contact, flush with water.
- Discontinue use if skin irritation occurs.
- If the condition persists consult a doctor.
- Keep out of reach of children.
- Store below 25oC.

INGREDIENTS

Ethanol 76%, Aqua (Water), Perfume, Glycerin.

JECEPT Ethanol 76%

Ethanol is used as an antiseptic for its bactericidal and anti-fungal effects. Ethanol kills microorganisms by dissolving their membrane lipid bilayer and denaturing their proteins and is effective against most bacteria and fungi, and viruses.

CAUTIONS

- Highly flammable.
- Keep away from fire or flame.
- For external use only.
- Avoid eyes. In case of eye contact, flush with water.
- Keep out of reach of children. Store below 25 °C.

INGREDIENTS

Ethanol (76% V/V), Aqua (Water) q. s. 100%.

Multi-Surfaces Disinfectant Spray

Description

Your family comes in contact with germs every day. JECEPT kills 99.9% of viruses and bacteria on commonly touched surfaces in your home. JECEPT disinfectant spray helps protect your family and helps keep them healthy. Designed to provide germ protection and can kill 99.9% of germs on hard surfaces, when used as directed.

- Kills 99.9% of viruses and bacteria
- Kills over 100 illness-causing germs, including cold and flu viruses.
- Kills 99.9% of odor-causing bacteria.
- Sanitizes all kinds of hard and soft surfaces.

Where to Use

JECEPT Disinfectant Spray has a very wide field of application and is widely used wherever an effective germicidal action is required such as: in hotels, restaurants, food industries in general, hospitals, clinics, libraries, archives, waiting rooms, corridors, canteens, and kitchens. JECEPT has also effective action against molds that bloom due to humidity environments.

How to Use

Simply spray directly onto surfaces. Wipe over with a clean damp cloth and allow to dry. No need to rinse.

CAUTIONS

- Flush immediately if the product enters the eyes.
- Seek medical help if the product is swallowed.
- Keep out of reach of children.
- Wash hands with soap and water after handling.
- Keep out of reach of animals.
- Eye irritant, avoid contact with skin.

Ingredients

Water (Aqua), Benzalkonium Chloride (0.12 % W/W), Isopropyl Alcohol, Lauryl Glucoside, Pine Oil, Formaldehyde.
